The Complete Feminine Beauty Zone

1. MAKE UP

Contouring your face helps define your features, creating the appearance of higher cheekbones and a slimmer nose and chin. It's a technique that we use, with the right products and equipment.

The goal of makeup is to compliment your natural beauty, not give you a different face!

Makeup isn't about rule—it's about experimenting and having fun with look that complement your features.

1. EVENING MAKE UP	HK\$350.00
2. PARTY MAKE UP WITH LASHES	HK\$600.00
3. BRIDAL MAKE UP	HK\$2000.00
